Garden Beans

We have a large cleaning plant at Roosevelt, Utah, located in a valley surrounded by the Uintah Mountains, and due to the continued short crops of alfalfa seed we have started a program of growing garden beans in this district. The district is free of the usual pests and diseases that have affected older growing districts.

We quote you today's market for your immediate order and prompt shipment as follows:

	1 to 5 Bags	5 to 15 Bags	15 or More
BOUNTIFUL	\$10.00	\$9.50	\$9.00
LANDRETH STRINGLESS	9.00	8.50	8.00
BURPEE'S STRINGLESS	9.00	8.50	8.00

All per 100 lbs., f.o.b. Kansas City; sacked in seamless bags extra at value.

We quote TO DEALERS ONLY today's values, subject to market fluctuations, P. O. B. Kansas City, sacks extra
